**TENDER OF SERVICE  
OF  
FEDERAL EXPRESS (FedEx)**  
Tender No. 987 Supplement 1

**1. SERVICE**

FEDERAL EXPRESS (**FedEx**) under Tender 987 Supplement 1 provides services for the pickup and delivery of Heavyweight Shipments with **package weights higher than 150 lbs** upon the request of the US Forces, US Government Contractors and US Government Agencies from **BAHRAIN** to Continental and other Intercontinental Locations (see attached countries served list).

**2. INTERCONTINENTAL SERVICES**

**International Priority Freight (IPF)**

FedEx IPF Service offers the Department of Defense and US Government Agencies the quickest and most reliable delivery service of packages above 150 lbs to Continental and other Intercontinental Locations.

**IPF Service includes**

- ☐ Door-to-Door Delivery Service
- ☐ Free Customs Clearance
- ☐ COSMOS Tracking
- ☐ Money-Back Guarantee

**International Priority Freight (IPF) Weight and Size Limits**

- ☐ Max Weight - 2200 lbs per package
- ☐ Max Size - 119" L x 70" W x 70" H, 300" length and girth combined per package
- ☐ IPF shipments must be booked and require pre-alert (normally 24 hours)

**3. SHIPPING DOCUMENTATION**

For Non-Document Shipments a FedEx International Air Waybill and a Commercial Invoice are required.

**4. CUSTOMS**

For US Military/US Government Contractor Shipments (Non-Document) that are being exported from **Bahrain** to Intercontinental Locations a FedEx International Air Waybill, Commercial Invoice and AE-302 Form are required. The Air Waybill and Commercial Invoice should have a complete and detailed description of package contents (i.e. „aircraft part, electronic part“ is not acceptable, „directional gyro for F-16, circuit card“ is). For Military Shipments the statement „Military to Military Shipment“ will be annotated on both the Air Waybill and Commercial Invoice which will ease customs clearance at destination clearance port. US Government Contractors will annotate their US Government Contract Number on both the Air Waybill and Commercial Invoice.

**5. RATES**

To determine the applicable rate scale see attached section. The Destination Rate Scale Index is attached to the applicable country rates. Rates are in USD (*Note: The USD Rates will be subject to exchange rate fluctuation*).

**6. BILLING**

As a Government Account Shipper, you will receive a comprehensive invoice for services rendered during each billing period. FedEx offers a variety of billing options, including daily or weekly billing.

„Bill Sender“ or „Bill Shipper“ means charges will be billed to Shipper. If „Bill Sender“ is marked on the Air waybill and no FedEx account number is indicated, FedEx will attempt to determine the correct account number from our records and bill them for all charges and fees. If FedEx cannot determine the correct account number, all charges plus fees will be billed to the sender without an account number, and the Government Rate will not apply.

„Bill Consignee“ or „Bill Recipient“ means charges will be billed to the Consignee or the Recipient. To bill transportation charges to the Consignee, the Consignee must have a valid FedEx account number and this number must be entered in the appropriate section of the Air Waybill. „Bill Consignee“ Shipments are acceptable for carriage to specified locations only. Further information is available upon request. If the Consignee refuses to pay, the transportation charges will automatically be billed to the Shipper.

„Bill Third Party“ means charges will be billed to someone other than the Shipper or Consignee. The Third Party's valid FedEx account number must be entered in the appropriate section of the Air Waybill. If not so entered, or if the Third Party does not make payment, the transportation charges will automatically be billed to the Shipper.

**FEDERAL EXPRESS TENDER NO. 987 SUPPLEMENT 1**

**7. ACCESSORIAL CHARGES (SURCHARGES)**

**Address Correction**

A surcharge per correction will be assessed for this service. If correct address cannot be determined and if Recipient cannot be reached, the Shipper will be contacted for address clarification or instruction to return the shipment. In addition to the surcharge, FedEx will not be responsible for meeting the delivery schedule of any shipment with an incorrect address.

**Dimensional Weight (Volumetric Weight)**

Under current IATA standards dimensional weight is determined by multiplying a Package length x height x width (all in centimeters) and dividing total by 6000. If the result exceeds the actual weight, additional charges may be assessed based on the dimensional weight.

**Out of Delivery Area (ODA Surcharge)**

On Shipments destined for locations outside FedEx's direct delivery service area an additional charge may be assessed. Please call Customer Service to determine if your Shipment will be subject to ODA Surcharges.

**Storage Fee**

A surcharge will be assessed to any shipment that is unclaimed or otherwise left in a FedEx location for more than 48 hours following notice to Recipient or designated broker of the Shipment's availability or of additional documentation required for regulatory clearance.
